FROM OUR LEADER

The Women's Ministry is beginning another new year and we hope you will be pleased with our plans. As you scan down the newsletter, you will see that there are many opportunities for you to join other women in the church. Please spend some time perusing these and asking the Lord where He wants you to join with Godly women in ministry.

Please note our Ministry Project at the end of the newsletter. I'm sure many of you have old purses you could donate, so save them and we will let you know how they can be used to minister to those in need.

If you have ideas for ministry to families or women, please let us know.....we are always looking for opportunities to disciple, encourage and love on people!!! It's not too late to sign up for any of the groups.....join us and have a wonderful year in women's ministry!!

"Let the Word of God dwell in you richly as you teach and admonish one another with all wisdom." Col. 3:16

BIBLE STUDY

Our WOW Bible Study this winter will be "Armor of God. It will begin February 2 or 3rd; immediately following this study, we will be doing "Seamless". Please know that these studies are such that you can drop in and be able to enjoy and be blessed! Come join us on Tuesday mornings at 9:30 or Tuesday evenings at 6:00 in our Parlor or Wednesday mornings at 9:30 at Ona Clegg's. This study is for you even if you can only come a time or two or three!! Also, we are looking for women who might be willing to host a bible study in her home either in the evening or during the day. If you are interested, there are many bible studies available to choose from
Hope to see you there!

DOERS OF THE WORD

As Doers of the Word our goal is to minister to those in need of house cleaning, light yard work, etc. We will start out ministering to our church members, with the hope of eventually reaching out to nonmembers. If you are interested in helping in this way, or know of someone who is in need of help, please contact Mary Spore at vmspore@gmail.com for more information.

HOLIDAY EVENT 2016

Watch for more information regarding our 2016 Holiday Event. Be praying that God will reveal to you where He wants you to use your gift.

FELLOWSHIP SIX

FBC ladies fellowship six has begun. 27 beautiful ladies have been placed into four groups. These groups gather once a month for six months. Each group member will host one month. This is an excellent opportunity to get to know other ladies of FBC. Ideas for the gathering: dinner in your home, coffee, dutch-treat dinner at a restaurant...etc. Each hostess will plan her monthly get-together.

Next Step

We are continuing this year to meet on the 3rd Thursday at 1:30 p.m. of each month in the Parlor at FBC. If you are a widow and feel the need for a sincere, caring, and fun, group of women to support you in your journey through some new paths, we would love to share your journey through your next step.

Craft Night

Friday night sewing crafting nights are so much fun! I find myself looking forward to these nights all month. We all bring our different projects of whatever we need to work with and get so much accomplished! Have you ever wondered what you can accomplish if you don't have any interruptions? Come join us and find out!

We all bring snacks and sometimes we order take-out, but dinner is taken care of somehow, and we work alone or together on our projects! Join us when you can.

PUBLICITY

Much of the publicity regarding Women of the Word is done via announcements, newsletters, emails, internet and the FBCPonca weeklies. There is still much to be done in order to spread the word of upcoming activities. Often a Save the Date poster is created for an event and then a more detailed and informative poster is developed as time draws near. These posters need to be set out all over the church and other places. (Great exercise climbing all those stairs) Even after all of that, there will still be those who say "I never heard about that." It is difficult to anticipate what will draw the eye of those who would benefit from a special speaker, the testimony of a church member, and many of our other activities. Just a few times a year, I would love to have creative help spreading our news to other women. If you or someone you know might be interested in this, please let me know.

MINISTRY PROJECT

The ladies ministry is building a new mission project. If you have any purses, small luggage or duffle bags, book bags etc that are in good condition but you no longer use them, please contact me. We are filling those bags with snacks, sanitary and hygiene products, toothpaste, floss, brushes, lotions, deoderants, nailpolish, hair items, etc and handing out to those in need. This project is now underway and we are accepting any monetary donations and any items mentioned above.
