

SERMON NOTES

SEPTEMBER BULLETIN

We live in a world where news flies at us in a 24 hour cycle and it is constantly changing. The headline of one day can read the exact opposite on the next day. But there is one piece of news that never changes. There is one headline that has stood as a banner of truth and hope for thousands of years. There is one piece of news that is the power of God for salvation to everyone who believes.

The Gospel

When Paul starts the book of Romans he claims three things to be true. He has been set apart for the Gospel of God, he is eager to preach the Gospel, and he is not ashamed of the Gospel. The book of Romans is a book about the Gospel; what it is, what it means, who it is for, why we need it, and what it can do in our lives. It is my prayer as we begin this study that the Gospel would become precious to us, not just a message about our salvation, but the guiding and driving force of our lives. I pray that we would be a “Gospel Above All” kind of people.

Gospel Above All,
~Michael
